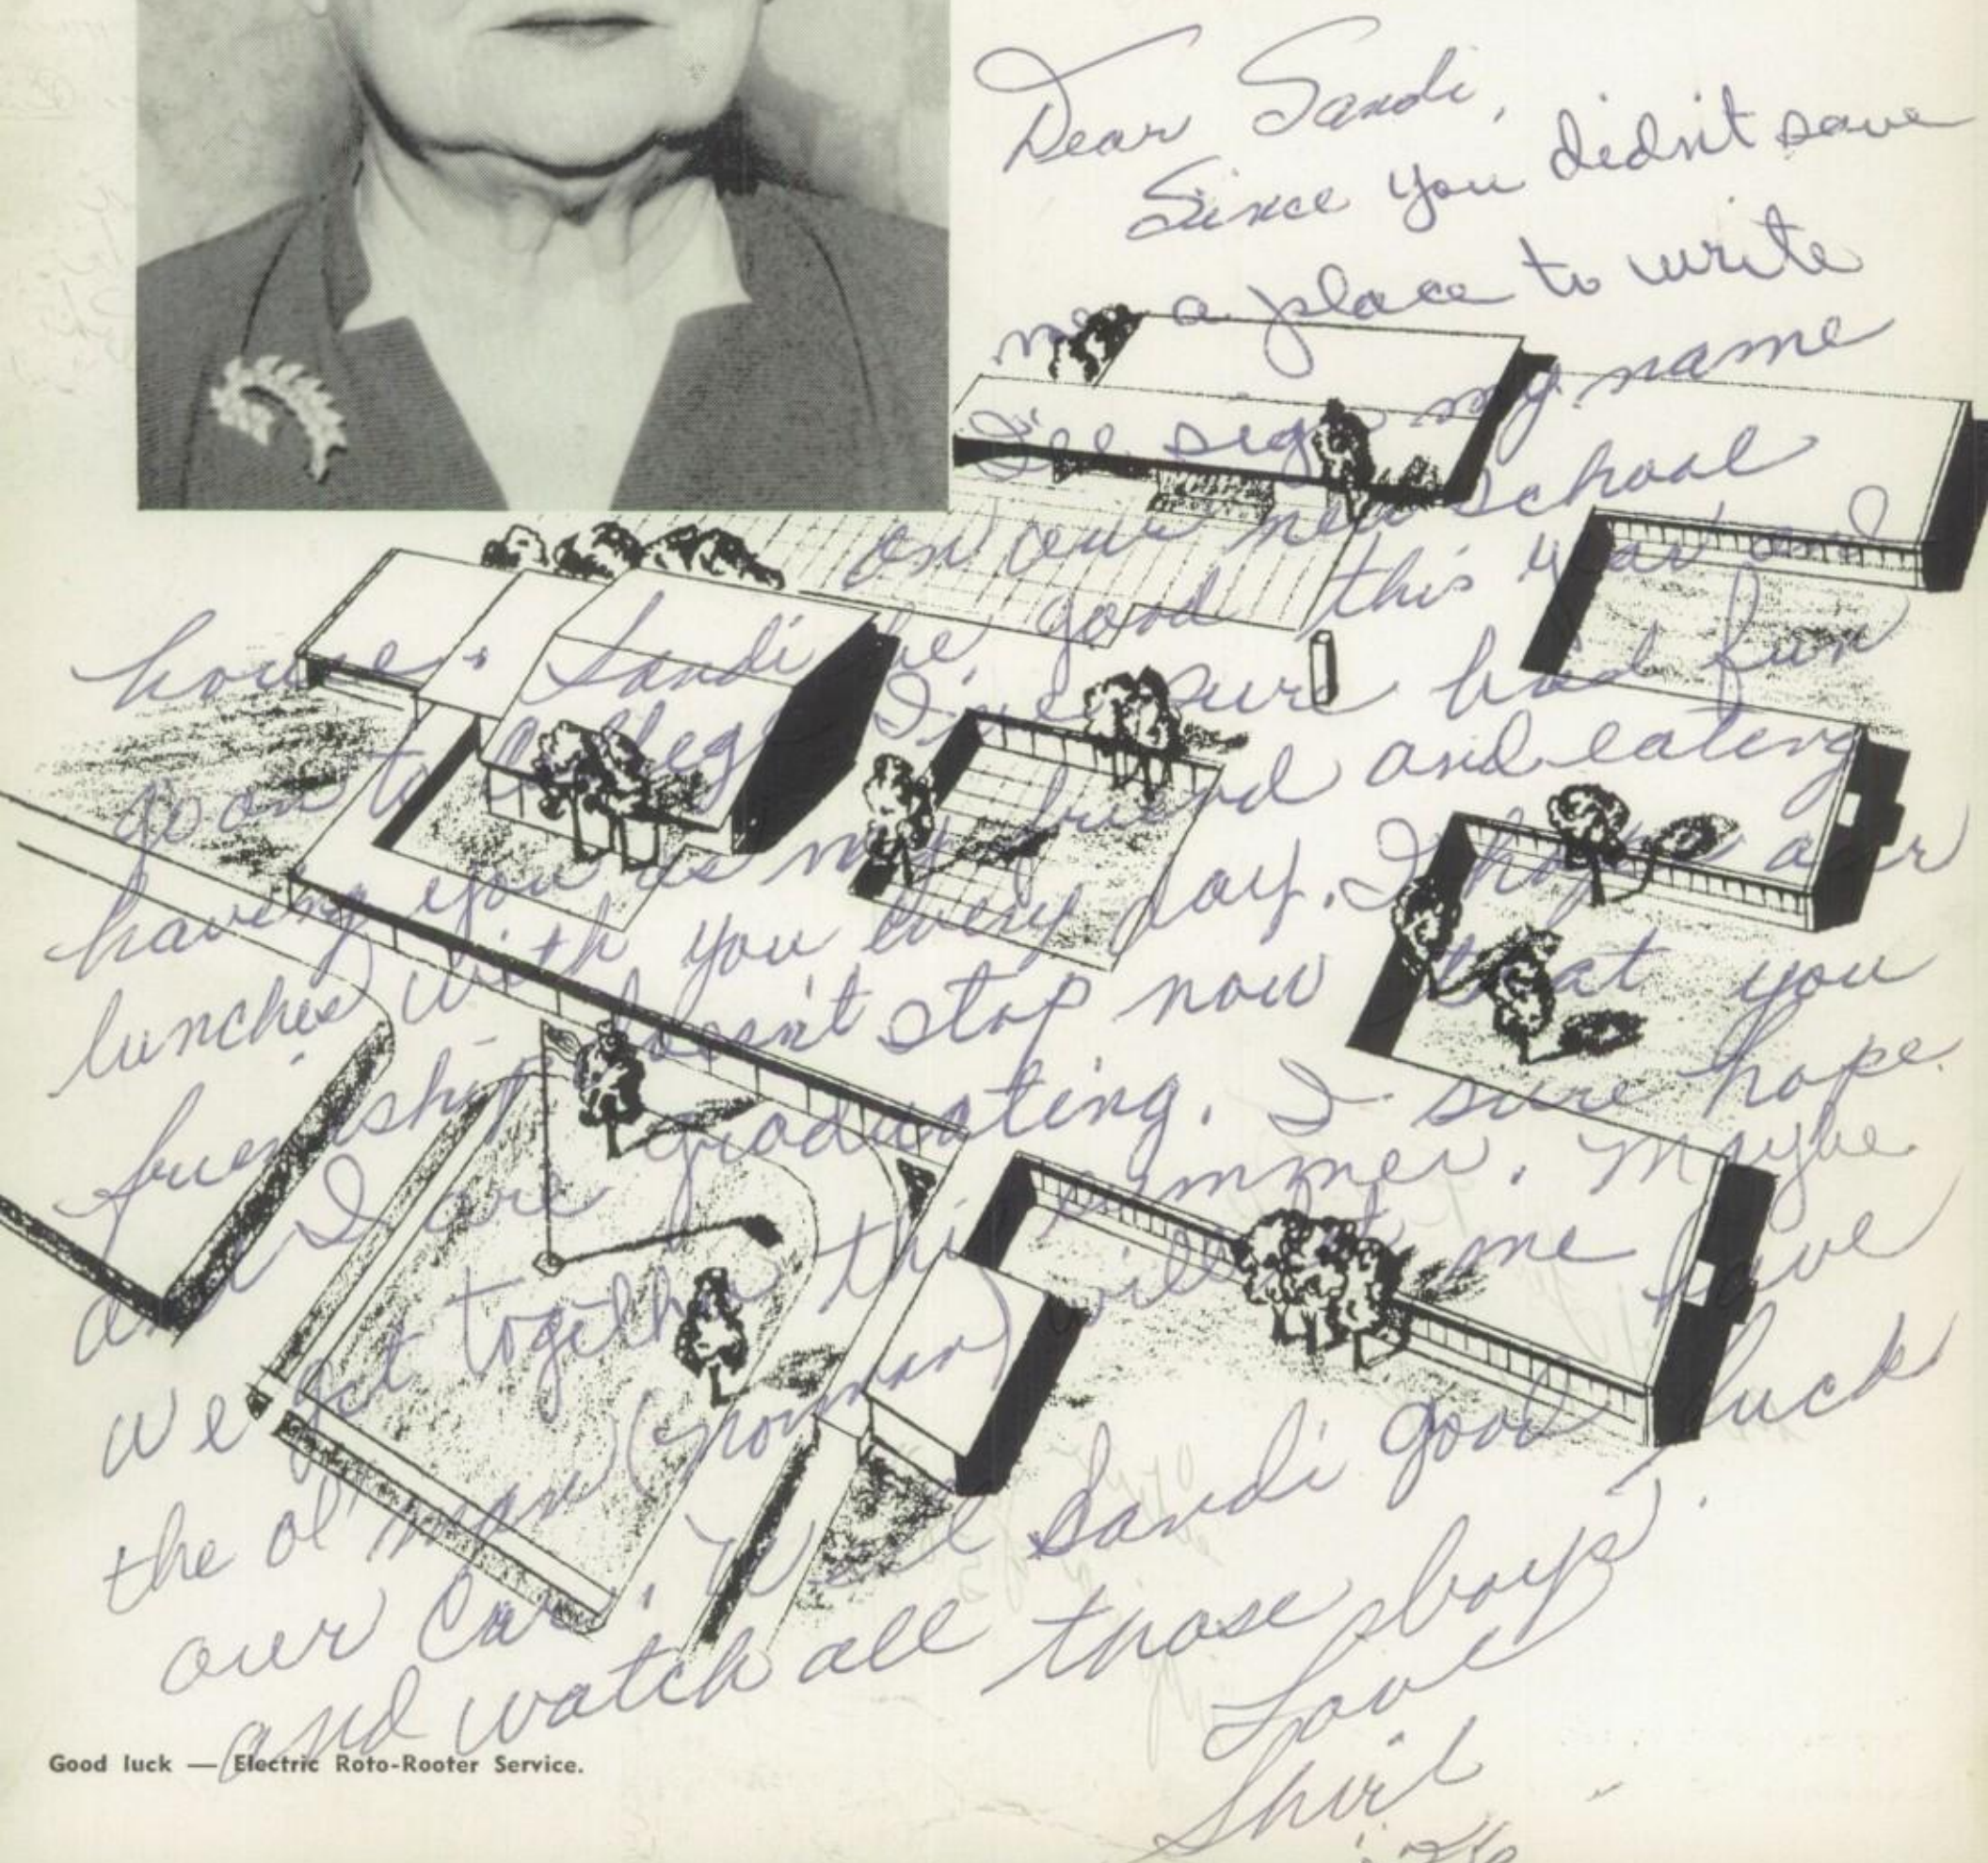
Mrs. T. O. Freeman

To you, Mrs. T. O. Freeman, who so generously donated the land upon which our new high school is now being built, we, the students of Mattoon High School, gratefully dedicate to you this 66th edition of the Mattoon High School Riddle. The plan sketched below is Mattoon High School's dream you made come true.



Dear Sandi,
Since you didn't have a place to write your name on, I thought I'd use this. I sure hope you don't stop now that you have your degree. I'll sure miss you and eating lunches with you every day. I hope after graduating, we get together sometime. Maybe we'll see you at the old MHS or over at Carl's. Well Sandi good luck and watch all those boys!

There Is an Activity For Everyone

Looking through the window at M. H. S., the first thing we see is fall registration. Oh, how we worked to get our schedules co-ordinated with those of our friends.

Among the many fall activities were football games, the Fall party, and the Homecoming celebration. Our first school carnival was a complete success and found both students and parents enjoying themselves and winning prizes from booths usually found on a carnival grounds. Ray's Rendevouz, with its dancing beauties and candle-lit room, lent an atmosphere of exciting night club life.

If you had a 12:00 lunch hour, you could dance, participate in intra-mural basketball, or just sit on the bleachers and hold hands with your favorite guy or gal.

The parade, pep assembly, floats, and enthusiasm of the "Green Wave" fans all lured the Danville players to their downfall, for this was Homecoming, and mayhem was our rule.

The Senior Class had the right combination to cop first place for the prettiest float entered in the parade, as did the Junior Class which placed first in the cleverest division.

Compliments of Dilsaver and Gilkerson.

Our third annual Homecoming Queen, Miss Thalia Brandenburg, was crowned in a different fashion this year than from the past two years. The Queen and her Court were presented to the football fans during the half of the Mattoon-Danville game. They entered the field riding in Cadillac chariots and were dressed in flowing gowns. They made their appearance again at the Homecoming dance, where Jim Branson, our football captain, crowned Miss Thalia as our 1956 Homecoming Queen.

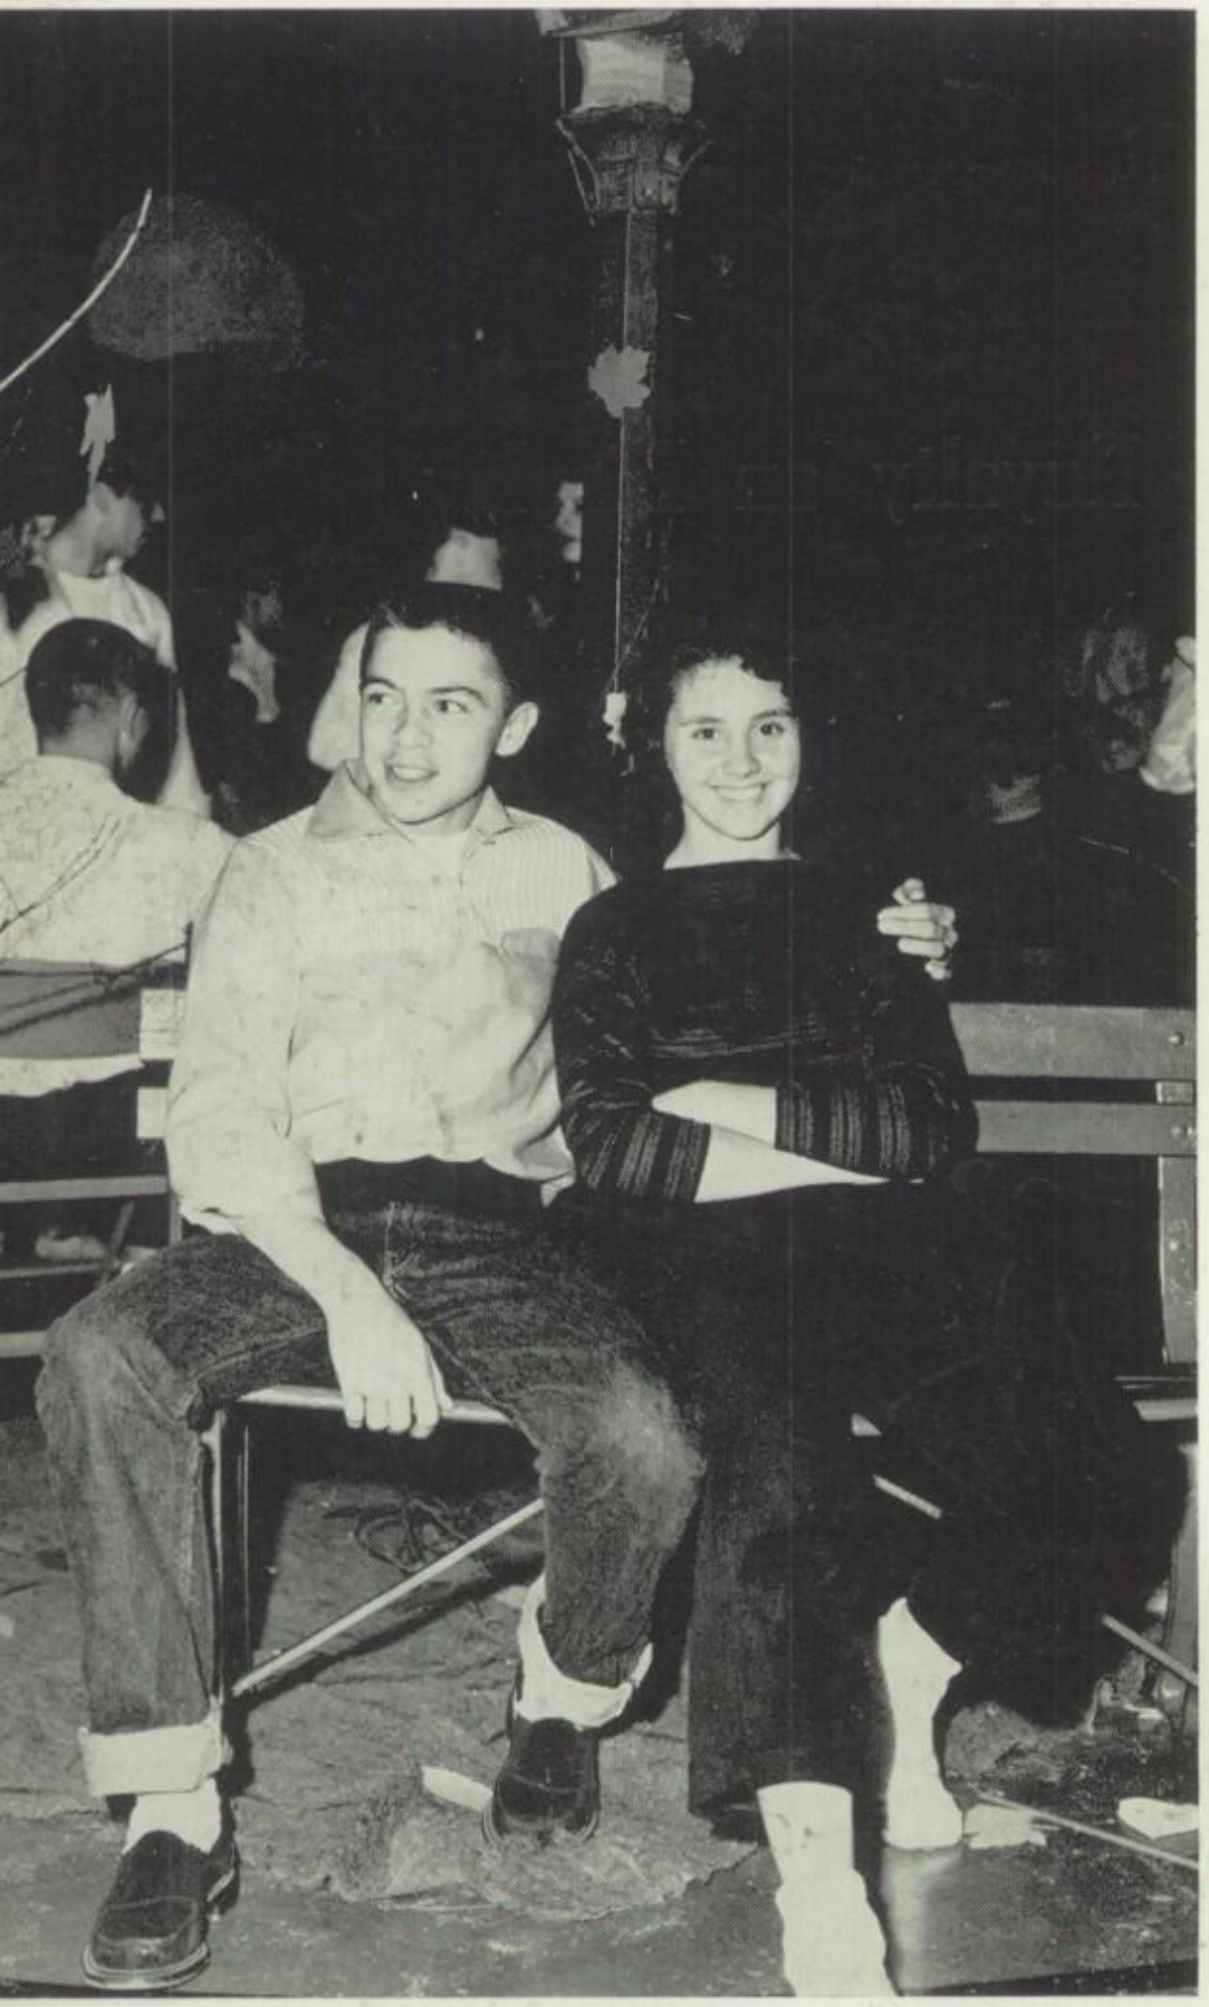
Theme, "AUTUMN LEAVES," Huge Success



Lynn and David enjoy autumn surroundings on a park bench.

Recipe For One Wonderful Evening:

Take one lovely evening, blend well with an abundance of Joe Bern's orchestra. Add your favorite guy or gal . . . . . .

Result: A perfectly scrumptious evening.

This year's Fall Party, "Autumn Leaves", was a huge success. Dancing, "Can-Can" girls, a one-act play, and a low-voiced beauty was the entertainment, which was provided by the Dramatics Club.

Pop Reads The

The highlight of every Christmas Assembly is the play given by the Dramatics Club. This year the play was under the outstanding supervision of Mr. Fischer, dramatics coach.

The 1955 Christmas play, "Pop Reads the Christmas Carol," was a timely and amusing one-act comedy. It concerned a typical family whose father insisted that the reading of the "Christmas Carol" should be a family tradition.

Between Junior's hanging mistletoe and Paul's shaving and cutting himself, Father finds it a very difficult task to get his family together to read the "Carol."

The cast is as follows:

Mr. Jones, father ..... Carl Bostic

Mrs. Jones, mother ..... Judy Howard

Paul Jones, older son ..... Bob Clark

Junior Jones, kid brother .... Jim Nighswander

Mary Jones, daughter ..... Annetta Scales

Jane, Paul's girl friend ..... Sonja Zike

With the Homecoming activities over, everyone was eagerly looking forward to the winter season. With winter came new skirts and shirts around M. H. S., as well as snow, winter sports, and those delicious hot lunches.

As in the past, the M. H. S. students supported and backed the Green Wave basketball team throughout their excellent season and on through the Regional Tournament, where Mattoon took first place by beating Sullivan. The team went on to the Sectional where they were beaten by a very powerful St. Anthony of Effingham. We wish we could have gone all the way, but we still believe we have one of the finest bunch of boys in the state.

What happens to a high school when two crooks knock out the principal?

Here's a newsflash from a radio broadcast after the incident occurred. Flash! ! ! ! Two crooks take over high school — one impersonates principal. They buy new band uniforms with money stolen from bank.

They were successful, at least for a while, because of the fact that the crook, Darsal Katon, and the principal were almost identical. The other crook, Rex Roberts, was also involved in the incident.

The love interest was played by Dick Record and Eva Martin. Humor was supplied by Ronnie Seeley.

This desk is as soft as a bed.

The climax of each high school career is graduation when the "sheepskin," a symbol of scholastic achievement, is awarded each graduate.

A few students graduate with honors, many do not. But for each, this is the end of the carefree high school days; and there is a little sadness with all joy. The smiling friends and families, the picture taking, and the caps and gowns make this occasion an unforgettable experience.

School Spirit

Enthusiasm and spirit, the backbone of all athletic events, would be lost if it were not for the "Green Wave" cheerleaders. No matter what the situation, these creators of school spirit are always present to give their "all".

This year's cheerleaders adopted a new style in their outfits to give us the latest in up-to-date cheering. The one-piece green costume with its green and gold reversible skirt made an attractive picture as well as giving enthusiasm and spirit to the crowd.

Along with our congratulations to the varsity cheerleaders, we must also congratulate the wonderful work of our B Team Cheerleaders who helped our B Team with their wins.

The cool frosty autumn air found Kinzel field filled with excited and uproarious "Green Wave" fans. The team, of course, was tops whether winning or losing, but there were other attractions too — the cheerleaders and formations of the band.

Although the season ended with a record of 4 wins, 4 losses, and 1 tie, anyone who watched the players of the team through the season realized that they were watching a better than average football team.

Our physical strength may have come from the boys, but it was the mental ability and strength of our head coach, Roy Colin, who made this record possible.

This year, for the first time since 1947, the "Green Wave" won its Homecoming game by topping the Danville Maroons 13-0. It was one of the most enthusiastic games of the season.

The "Green Ripples" Come Out On Top

The Frosh-Soph football team, better known as the "Green Ripples," had a better than average season this past year. The experience they gained with each game was unlimited. They defeated Champaign, Charleston, and Villa Grove. They lost to Decatur and Urbana. The Frosh-Soph team was coached by Mr. Andy Sullivan and was assisted by Mr. Walt Storm.

Coach Ed Lash talks things over. Left to right — Coach Ed Lash, Dick Kragler, Joe Orndorff, and Nolan Sims.

Coach Ed Lash's Harriers led by Nolan Sims, completed the season with a 6-3 record. This squad was predicted to have a good season and as each meet progressed, this fact was soon realized.

Nolan Sims was the outstanding boy as he placed first in seven meets. However, without the help of his running mates, the season would not have been a success.

Coach Ed Lash had three returning lettermen, Dick Kragler, Leroy Kramer, and Joe Orndorff.

Looking toward next year, the team will be supported by three returning lettermen.

"Green Wave" Turns

This year the "Green Wave" basketball squad ended the season with a 17-10 record. This is the third best record that any "Green Wave" basketball team has had in the history of our school. The Wave's main claim to fame this year was the upset of Quincy 51-50. The "Blue Devils" were then ranked the number five team in the state.

Mattoon had a standout this year as guard Bob McDowell was leading scorer in the Big 12, and also broke two of Mattoon's school scoring records. Bob scored 33 points in one ball game, and he got a total of 479 points for the season.

Again this year, Mattoon came out on top in the regional tournament. They defeated Villa Grove and Arcola in the first and semi-final rounds and went on to defeat Sullivan in the championship game by the score of 53-37. Although the Wave lost their first game of the sectional to St. Anthony of Effingham, their season showing was exceptional.

Green Wave Thinclads Have

The '56 version of the Mattoon High School track team will have five returning lettermen. The distances are fairly well covered as we have lettermen back from the 440, 880, and the mile. These are Dick Kragler, Joe Orndorff, and Ed Berkowitz. M. H. S. has lettermen Gene Miller and Jeff Gaines back in the high jump, with Miller also competing in the discus. The broad jump is taken care of adequately by lettermen Dick Lindsay and John Crum, who run the hurdles. Three of the four team members on each of the two relay teams return this year. Orndorff, Berkowitz, and Kragler are back this year for the mile and Miller, Lindsay, and Crum are back for the half mile squad. In a Freshman-Sophomore meet at Olney last year, Mattoon set two records. Dick Lindsay made a 20' 3½" broad jump and Gene Miller made a 126' throw with the discus.

The squad consists of thirty boys; but the main weakness of this year's team will be in five positions, but with some luck, M. H. S. will probably discover a dark horse in these fields.

Row 1, left to right — Joe Orndorff, Bill Hutchinson, Ed Berkowitz, Larry Mathews, Dick Lindsay, Gary McKee, Leroy Kramer.
Row 2, left to right — Phil Schreck, Bob Balch, John Crum, Dan Green, Jim England, Clarence Stillions, Marvin Leffner, Rick Duncan, Lannie Neal.
Row 3, left to right — Coach Walt Storm, Don Wells, Gene Miller, Dave Townley, Dick Kragler, Jeff Gaines, Charles Bullard, Dan Duncan, Bob Barnes, Assistant Coach Howard Johnson.

Successful Season

Jerry comes in ahead.

Kragler's ready to break the tape.

Berkowitz gains ground.

Dick jumps the broad jump.

Joe gets ready for a quick start.

Compliments of W. C. Graham & Son.

Green Wave Grapplers

Best wishes from Subway Pharmacy.

Will it be a pin?

Green Wave "Grapplers", slightly hampered by the lack of experience, finished the season with a not too impressive record of four wins and six defeats. But the won and loss record is a minor part of the story; many times the only difference between winning and losing was the loss of one or two matches.

Butch McKee, Bob Michaels, and Dennis Fickes all placed in the Big Twelve, as well as in the sectional meet. Dennis Fickes was the only wrestler the Green Wave sent on to the State Wrestling Tournament.

Next year's team will be strengthened by eleven returning lettermen.

Front row, left to right — Manager, Dave Young; Bob Walker, Kenny Zike, Bruce Ellingson, Gerald Hatfill, Mick McFarland, Ed Berkowitz.

Second row, left to right — Coach Chuck Oyler, Richard Piatt, Tony Johnson, Bob Barnes, Larry Meyer, Dennis Fickes, Bob Michaels.

Row 1, left to right — Gordon Fuqua, Rod Carlyle, Art Kupish, Randy Lundeen, Bob Walder, Richard Wright.
Row 2, left to right — Coach Ed Lash, James Leslie Baker, Nolan Sims, Jon Tolle, Clark Nelson, Bob Checkley.

Mattoon High School's Racquet Squadmen

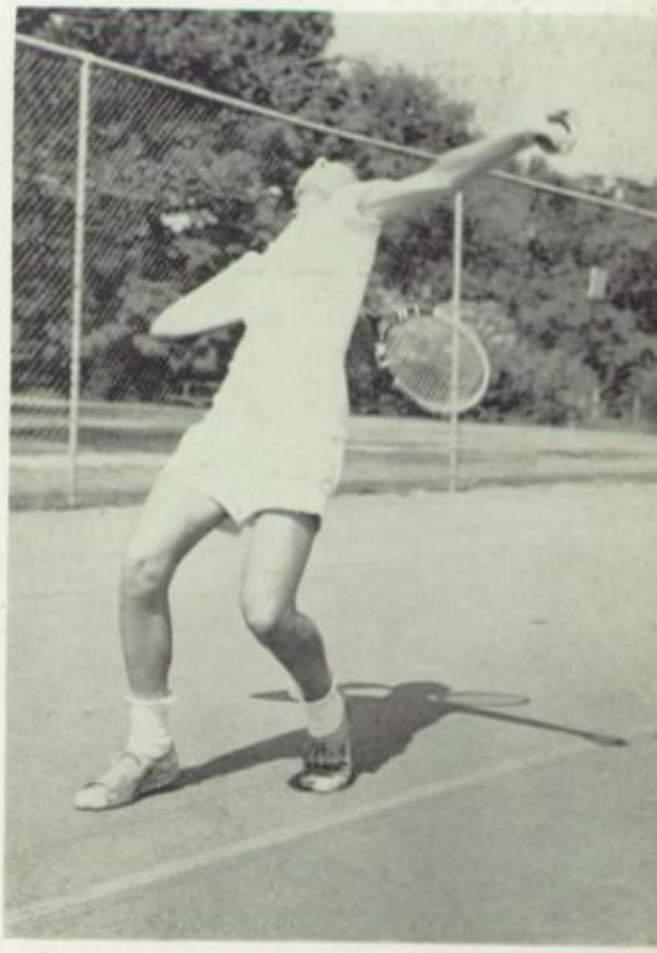
Our tennis squad this year has four experienced lettermen that Coach Ed Lash is heavily counting on. The returning lettermen are Jim Baker, Nolan Sims, Clark Nelson and Bob Checkley. Last year in the Big Twelve tournament, Mattoon's racquet squad placed third. Baker and Nelson who played in the doubles of the Big 12 tournament took first place.

Along with the lettermen that Coach Ed Lash will count upon is an ample supply of Freshmen.

This is the first time at M. H. S. that Ed Lash has tried his hand at coaching tennis. We wish him and his squadmen the best of luck.

Sims is set to return serve.

Nelson goes into his powerful serve.



Compliments of J. C. Hamilton Standard Station.

Row 1, left to right — Dick Andrews, Bob Morgan, Ronnie Orr, Bill Tomlin, John Reich, Leo Welch, Gale Garbe, Ed LaMasters, John Morman.

Row 2, left to right — Fred Wright, Bruce Ellington, Verne Belt, Bill Savely, Lee French, Fred White, Les Brown, Larry Meyer, Bob Michaels, Dan Wheeler, Bob Arnold, Jerry Storm.

Row 3, left to right — Chuck Gilbert, Kent Milam, Dale Van Gundy, David Wells, Bill Adams, Dick Moutray, Larry Atchinson, Lee Metcalf, Dick Ping, John Keller.

Row 4, left to right — Coach Chuck Oyler, Joe Matherly, Jim Hoback, Chuck Scott, Dick Whitley, Dennis Vickes, Tim Hanford, Gerald Hatfill, Paul Boyd, Gary Courtney, Mike Carter, Richard Myers, Tom Cox, David Sheeks, Kent Peak.

Coach Oyler Has Large Turn Out For Baseball

When Coach Oyler called for baseball players, forty-five turned out. Out of this number five were returning lettermen. Leo Welch, a junior, covered first base bag as he had done for the last two seasons. Dick Andrews played second, John Morman pitched and Ed LaMasters and Bill Tomlin played in the outfield.

The 1955 squad had a record of six wins and eight losses. Among the highlights of the season was the winning of second place in the Charleston Invitational Tournament. They defeated Charleston in the first round and played St. Anthony of Effingham to an eleven inning tie. Darkness came and the game was replayed on a later date with the Bulldogs coming out on top.

The Green Wave eleven won their Sub-District Tournament as they defeated Sullivan, Cumberland, and Charleston. In the District Tournament they were defeated by Danville.

Row 2, left to right — Phil Becker, Bill Severns, Warren Garbe, Charles Dudra, Duane Bryan, Fred Hirsch, Coach Roy Colin.

This year's golf team will have four lettermen boasting a last year's record of 8 wins and 1 loss. The team placed sixth in the District which had seven Big 12 teams entered. The number one man this year will either be Phil Becker or Gordon Smith. Number three man will possibly be Duane Bryan; number four, Fred Hirsch; and number five, Charles Dudra.

The team practices twice a week at the Mattoon Country Club. This year's squad was a fine squad under the coaching of Roy Colin. The team this year had experience as well as style, and it showed that it had good coaching.

Although spring sports have not been backed very enthusiastically in the past; this cannot be because of lack of good teams, because Mattoon has had some very fine golf teams.

Best wishes from Construction Materials.

Letterman's Club Starts Hall of Fame

The Letterman's Club was founded in 1950 by those boys who had earned a letter in one of the major sports at Mattoon High School. The prime purpose of the club is helping the high school in its athletic program and should be the goal for boys ambitious enough to earn a letter in athletics.

The Activities sponsored by the Letterman's Club this year were a dance for the students, a stand at the school carnival, and a banquet held in the spring for all members of the Letterman's Club.

Boys who have earned six letters in two sports, seven letters in three sports, or a total of nine letters or more are elected to the Hall of Fame. This is the first year of its existence and the club intends to make it an annual affair.

"G. A. A. and "M" Club Have Another

The hours spent in the cold and rain at the football G. A. A. refreshment stand will long remain in the memories of the G. A. A. girls that helped there.

As usual, the annual "mop" sale was held before homecoming, and we're sure they helped to make that long-deserved winning of the Homecoming game come true.

The girls also attended a play day, where they met many new friends and found themselves enjoying many of the events that were planned for them.

Again this year, as in the past, they held their annual Mother-Daughter Banquet where the girls honored their mothers and presented them with a wonderful, delicious meal.

The "M" Club was again as active as it has been in the past. Twenty-six girls participated in the bowling provided by the Club. The Club entered five girls in the all-state G. A. A. bowling tournament. They selected the girls on the basis of the highest average in a three-game series.

The year was a success for all, thanks to the assistance of the G. A. A. sponsors, Miss Pfeiffer, Mrs. Witherbee, and Mrs. Ulmer.

Organizations

Compliments of T. V. Janes.

Among the many school organizations in M. H. S., there is one that stands out most. That organization is the Student Council.

The 1955-1956 school year found the Student Council busily maintaining activities of long standing, as well as adding many new activities for the benefit of the student body.

One of the new activities was the sale of war stamps. The Council buys and sells the stamps once a week. When they decided to sell stamps, they felt that they would not only be helping the country, but the students as well.

Again as usual, the Student Council made the Homecoming and Spring Party a complete success. They also helped the students save money around Christmas time by selling show tickets at half the usual price.

Many thanks and a lot of credit go to the Student Council for guiding the student body through the year of 1955-1956.

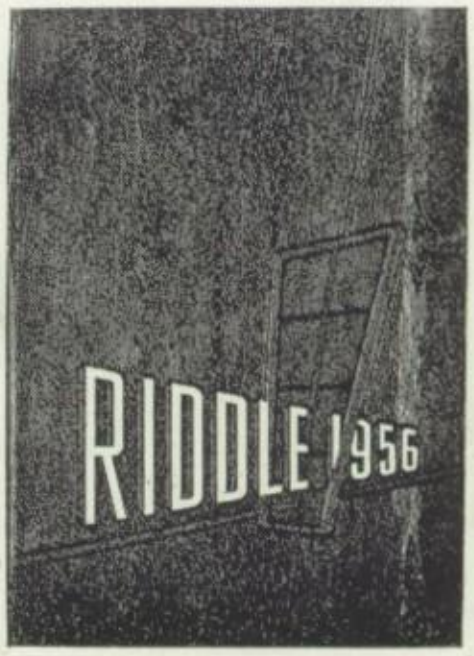
Widely Used Reference Book

During the year, especially just before deadlines, it would be hard to find a more appropriate name for our yearbook than the "Riddle."

It is difficult to envision the piles of photographs, proofs, and reams of typewritten copy actually being put together into one compact volume and being ready by May.

If in the years to come you should happen to pick up your old Riddle and you discover that things have changed since 1956, don't be disappointed; for it's our hope that a picture or a name will recall to your mind an event that will be the starting point for an evening of fond reminiscing.



Best wishes from Lampert's, Jeweler and Optometrist.

The "Mirror" From Where We Got

. . The Mirror . .

"Finish writing that copy!" "Set that machine!" "Hurry and run off those copies, or we'll never get the paper out on time!"

The Mirror staff has lived within these rules for the last nine months. Under the supervision of Mr. Don Shields, this capable staff of reporters, writers, typists, and printers has done a very fine job of compiling the school news, humorous stories, and serious articles, and promptly presenting them to the students and teachers of M. H. S.

Thanks, Mr. Shields and the Mirror Staff, for the fine job you did of providing the student body with all the school news in the M. H. S. Mirror of '55 and '56!

Camera Club

Photography is becoming one of the many favorite hobbies of the people of today. Here at M. H. S., the membership the Camera Club now holds shows that it is becoming more and more popular with the students.

At the dances, assemblies, proms, etc., you will always find the Camera Club at work. They have participated in many activities during the past year. Many of the pictures taken by the Camera Club can be found in the yearbook.

The Club is looking forward to a new dark room in the new school where they can develop pictures more effectively.

Future Nurses of America

The Future Nurses of America is a newly organized club at M. H. S. The purpose of the club is to better acquaint the girls interested in nursing with the nursing profession.

The club meets once a month. Several movies are shown on nurses training and various nursing schools have sent representatives to give informative speeches at the club meetings.

The officers of the club are Judy Howard, President; Nancy Madeira, Vice-President; Dixie Dawson, Secretary; Raenota Storm, Treasurer; Carolyn Henry, Reporter; and Connie Ellis, Librarian. Mrs. Wayne Neal is the club advisor.

Dramatics Club

The purpose of dramatics is to encourage and stimulate active participation in stage work. People in dramatics learn all phases of stage mechanics, including scenery building and make-up, as well as the details and fundamentals of acting.

The dramatics class this year put on three one-act plays, several plays for assembly programs, participated in the school carnival and climaxed the year with a three act Senior Class Play.

The Dramatics Club is a social function of the dramatic classes which provides entertainment for themselves as well as for others.

The Dramatics Club is under the fine supervision of Mr. Fischer.

Ham Club

If you are looking for an unusual hobby of extra-curricular activity, you need look no further than the Ham Club.

Not only is it one of the most popular and most useful hobbies in the school, but it is a lot of fun, too.

The Ham Radio Club is a firmly established club at M. H. S. and has as its instructor Mr. McPeak.

After passing an examination the members may apply for a license from the Federal Communications Commission. With their equipment they are able to talk to other Ham enthusiasts in other states and countries.

Best wishes of Moore's Wholesale.

Debate Club

The Debate team, under the supervision of Mr. Fischer, took many high honors this year. The debators who were responsible for this excellent and outstanding record are Lois Shields, Nancy Madeira, Carol Ann Gibson, and Judy Eaton. These debators made it possible for Mattoon High School to take first place in both the District and Sectional tournaments. Due to the late date of the State tournament, we are unable to give the results from it; but we are hoping they do as well at the state as they did at the other tournaments.

Debate is just as important as any other contest. The only difference is that it is a battle of brains instead of brawn.

Social Science Club

Under the guidance of Mr. Pat Young, the members of the Social Science club discuss and debate the most important occurances of the year. During the year the club discussed such varied topics as regulations of state highway speed limits, desegregation of Negro schools, and the Geneva spirit.

The purpose of the club is to investigate, discuss, and sometimes make recommendations on various problems of modern living. Mr. Young says, "One might say that the Social Science Club is a gentleman's debating society."

This year's officers were Tom Hightower, president; Jerry McDowell, vice-president; and Tim Gover, secretary.

French Club

Parlez vous Francais? Do you speak French? If you were a member of the French Club, you would; for French is the only language spoken each month at Club meetings. Under the leadership of Miss Hazel Lutz, a good time is had by all the members, second year French students, with games, plays, general discussions, and refreshments. Many times a guest speaker also attends these meetings.

With a pot luck dinner, entertainment, and a gift exchange, the Christmas party was a tremendous success.

Parlez vous Francais? Try it; you'll like it!

Spanish Club

The Spanish Club, under the guidance of Miss Hazel Lutz, is composed entirely of second year students. With Spanish being the only language spoken, Club meetings are held each month in the homes of the members. A different theme being carried out with games, plays, quizzes, and refreshments.

As Spanish rapidly becomes one of the more popular languages being spoken in today's world, it is actually becoming more fun to study and to speak this versatile language of the Spaniards. Just ask any member of the Spanish Club; they'll tell you the same thing!

One of the busiest and most outstanding organizations on the M. H. S. Campus is the Future Homemakers of America. As usual the F. H. A. helped the Student Council with the annual Alumni Tea, sponsored the Kiddie Christmas Party, and held a Mother-Daughter Banquet.

One of the biggest events of the year that the F. H. A. girls look forward to is the F. H. A. Sweetheart Ball. Each school in this district sends an F. H. A. candidate to run for F. H. A. Sweetheart Queen. This year Mattoon was proud of the fact that Frances Jeffers of Mattoon was given this honor.

During the basketball season when most of us got thirsty we went to the refreshment stand which was sponsored by the F. H. A. These activities are just a few of the many that the F. H. A. girls enter into each year.

Latin Club

"Qui non proficit, deficit."

"He who does not advance, falls behind." This motto of the M. H. S. Latin Club has inspired many a student to study and make better grades in all his subjects. Since it is so closely connected to the English language, everyone should know something of Latin.

The Club was organized in 1955. This year we joined the Junior Classical League — a national organization of Latin Clubs.

Such subjects as Roman life and customs are discussed at meetings. Many times movies and slides are shown.

The Club has held a Christmas party each year; but the highlight of the year was the Roman Banquet, held on April 11th of this year.

All in all, Mrs. Goodfellow, we think you've done a very fine job with the Latin Club these last two years!

Future Teachers of America

These students, Mattoon High's solution to the teaching problem, take their pledges by candlelight in the fall, after which monthly meetings are held to introduce them to the teaching profession. Individual records are kept and a merit certificate is given to those who have given 50 or more hours of service to the school and community. Senior members do cadet teaching in elementary schools in close co-operation with an elementary teacher. They are under the supervision of Miss Dorothy Bratton.

Diversified Occupations

Under the capable leadership of their advisor, Mr. Charles Crites, the members of the D. O. Club are given an opportunity to become acquainted with such fields as radio work and mechanics. As they work at the various jobs to which they are assigned and in which they are most interested, they can see whether or not they would be suited for employment in that field. By working a few hours a day besides their regular class period, these boys gain both the experience of working with fellow employees and a better understanding of their chosen field.

Building Trades

This year the Building Trades Class, under the supervision of Mr. Leon Elliott, finished a new modern home at 202 Circle Drive, Westview Place. This is the third house that has been built by the Mattoon High School Building Trades Class. These classes, consisting of juniors and seniors, build a complete home during a two-year period. The present house was finished and an open house was held in the spring. The house was planned by the Architectural Drawing Class under the supervision of Mr. Charles Crites.

Good luck from Earl Ross.

Distributive Education

If you are interested in salesmanship and are planning to enter some line in that field, D. E. is a very educational organization in which to enter.

Mr. Jones, the advisor, finds job opportunities for the students, then they are interviewed and placed in a local store to work three hours a day.

Again this year, the students in D. E. represented Mattoon at the State D. E. Convention, held in Springfield, Illinois. Besides working in retail stores they operated the popcorn machine at the football and basketball games and sponsored dances during the year.

Office Occupations

The girls in the Office Occupations Club attend two classes at school in the morning and enter the business world for the remaining part of the day, working at least fifteen hours a week and receiving the beginning office worker rate of pay.

The Office Occupations Club tries to create interest in office work as a vocation, provide exploration of vocational opportunities, and develop leadership.

They attended the Area III Convention at Charleston, Illinois, and the State Conference at Springfield, Illinois.

Each member's goal is to learn about office procedure and to be a good office worker.

Glee Club

Students of Mattoon High School, who enjoy singing for pleasure, register for Glee Club in the spring. In this class they enjoy singing popular, folk, classical, semi-classical songs along with many others. Like any other class they meet for a period each day. Glee Club is one of the half credit courses that Mattoon High School offers. Many M. H. S. students take Glee Club instead of a study hall as they have a very enjoyable year singing with Miss Julsrud.

M H S Choir

The Robed Choir gave its beautiful Candlelight Christmas Concert again this year. It also lent its voice to an assembly program as it did at Christmas time and the last day of school.

The highlight of the year was the Big 12 Music Festival at Decatur which under the direction of Miss Julsrud the choir attended. There they were directed by Don Craig of New York City and the one thousand singers were accompanied in their final number by a 125-piece orchestra.

The M. H. S. Marching Band

The M. H. S. band, under the capable leadership of its new director, Mr. Richard B. Foster, did a very fine job of entertaining the people at many events this year.

The band started off the season with four parades during the Centennial week. Despite the heat, it was there — heading the parades with a constant, sharp drum beat. The band also headed the Hallowe'en and Homecoming parades.

Besides providing the music at all the assemblies held at school during the year, the band played for several civic events — the Centennial church service, the dedication of the new high school, and several others.

The shows that the band gave at half-time at the football games were obviously the products of many hours of hard drilling. The band also was present at basketball games with peppy, get-in-there-and-fight music.

At Christmas time, the concert band gave a most enjoyable presentation of appropriate music — the first in a series of five concerts which were presented, one a month throughout the remaining winter and spring months of the school year.

Our sincere thanks to you, Mr. Foster and the band, for your generous cooperation with and participation in the events of the year!

Dear Sandy,

Lots of luck to a real swell girl. Sure hope you have a nice summer. We sure had fun in Steno, even though we didn't make our 100 or 120 w.p.m. It'll really have to make someone a good secretary.

Love, Thalia

M. H. S. School Board

Mr. Virgil H. Judge, Superintendent

This is to be our last year in the present high school. Next year we will move into a new and much larger building, equipped with more modern and scientific equipment — the result of years of tireless effort on the part of the Board of Education and Mr. Judge. It has been a very busy year on their part. There has been many hours spent and the only remuneration received has been the enjoyment of a task well done. Their interest has been the best education for the youth of the Mattoon Area. We, of the Riddle staff, thank you.

Top Row, left to right — Mrs. Edna Kizer, Secretary; Mr. E. C. Bauer, President; Mr. W. E. Stewart;
Bottom Row, left to right — Mr. W. L. Podesta, Mr. Jack Chaney, Mr. R. D. Bills Jr., Mr. Carl Ozee.

Compliments of Okaw Building and Loan.

Our Principal, Mr. Clawson

Mr. Clawson has guided the school through another successful year, putting aside all the minor difficulties and trivialities which always arise during a school year.

He must be commended for the excellent way with which he worked out the year under such crowded conditions and helping each and every one of us to obtain a good education.

We are sure he is especially looking forward to next year when the students and faculty move into the new school.

Best of luck, in all ways.
Bill Hooper

Assistant Principal

Mr. John Weyrauch has done a very fine job of handling his end of the business and social affairs of the school this year.

Congratulations, Mr. Weyrauch, on another successful year as the assistant principal of M. H. S.

Guidance Counselor

Under the capable leadership of our guidance counselor, Mr. William Hooper, many a student has solved the perplexing problems of school and social life.

Our thanks to you, Mr. Hooper, for helping us find our way and purpose in life.

Best wishes from O'Dell's Auto Wrecking.

Dear Sandra.

We have had lots of fun since we met and I hope it go on for along time to come. Don't ever forget the wonderful Sunday afternoon on our island, as if you could, with all us silly girls acting the way we did. Loads of luck in the future, and have a good time this summer.

Dear Sandi
Best of luck
always to a real
swell girl. Remember
always Dramatics, St Louis
stenos. Boy we sure had
a time in there didnt we??

Hi Sandy
Good luck to a
good kid. Remember
the good times we
have had in Dramatics,
Study Hall, and of course,
dear old Math class.
Seriously, good luck to a good
kid.
